

Credit Card Payment Application

Dear Customer,

Thank you for your inquiry about monthly credit card bill payment. Please fill out the following information to set up an account for credit card payment. Your information will be on file and will be charged within the first business week of each month. The charge will be for your previous month's bill. You will receive an invoice every week, as in the past. The only difference will be that you will not have to write a check or pay cash each week. You will receive a statement at the end of the each billing period.

I give my permission for this credit card to be charged with my monthly bill from Battenkill Valley Creamery Home Delivery. The amount of the bill varies from month to month and will include charges for the previous month.
